PRESIDENT'S CORNER

Hi Everyone

We had a great Reunion Picnic on Sunday June 10 at Central Park. I want to thank **Doris, Bill, Naomi, Steven** and **Stephanie** for all their help with the set up and **Bill, Jeff** and **Gary** for helping me with the cooking. Also, thank everyone who helped with the clean up. We had 52 people who came including alumni and guests.

Now that summer is in full swing and the temperature is climbing especially at our dance on Fridays, we need to dress to stay cool while we are dancing.

We will be having a "build your own" pizza-party on Saturday, August 26, at the home of **Jacky and Eric Wilhelmsen** at 12:00 noon. Check out the flyer. Sign up with them and find out what you can bring.

On Friday August 31, we will be having our Hot August Night Class/Plus Level Dance and the annual clothes sale. See **Doris Smith** for information on the clothes sales at the dance and check out the flyer for more information. This will also be our party night so wear green and your Katydids skirt if you have one. We will be inviting other dancers so please bring snacks to share.

Chirper Chatter...

Bob & Lisa Steele were absent from our Katydids Annual Picnic because there was a conflict. **Bob** as president of the Northern California Square Dance Callers Association had to preside over their meeting scheduled on the same day as our picnic. But we had **Walt & Gerry Fant, Carmen Hea, Jack Colistra & his pal, Gabby, and Sandy Hastings** at our picnic and the usual other “friends”...

Good news time! **Kathy Shaney** is working at a Savers Store, hours of 9 – 1, Tues & Thur through the Hope Program...

I was asked to bring you up to date on my senior softball activity. I am almost a regular at the Vintage Fun Division, playing Monday and Wednesday mornings at Hamann Park, San Jose, from 9-12 AM. The arrangement is to have batting practice and two teams are picked by chance but making sure that each team has a catcher and a pitcher. Tournament play is conditional, the venue must not be further than 1-1/2 hour drive for I need to come home every day. It seems the first tournament play will be July 7-8 at Redwood City, playing for the RWC Chiefs 80's...

Bea Clark is having her back problems returning. She has osteoarthritis along her spine with some stenosis. Her shot she received in April has worn out and the doctor is pleased for the length and feels the next shot will last longer...

Glad to have **Anne Langer** back with us, getting off LOA in June, but alas, we have **Jeff Robinson** going on LOA starting in July because of his back problem. But let's welcome new members: **Vic Oros, Janna Standridge and Marjorie Wilser...**

A little something about OUR THEMES:

National Fried Chicken Day (July 6) -

On this day, fried chicken lovers across the country celebrate this American favorite at a nearby restaurant, home or an outdoor picnic. Scottish immigrants brought their tradition of deep-frying chicken in fat to the southern United States. After its introduction to the American South, fried chicken soon became a staple. Over time, seasonings and spices were added to enrich the flavor of the chicken...

National Beans ‘N’ Franks Day (July 13)

Also known as “beanie weenies” both dishes are similar to pork ‘n’ beans, but substitute hot dogs or frankfurters for the pork. Dating back to the civil war, bake beans emerged as one of the very first canned convenience foods. It is unknown who originally added franks to beans. Van Camp’s owns the *Beanie Weenies* name. Other brands are sold under alternative names such as

Franks & Beans. Typical ingredients include: baked beans, skinless hot dogs, brown sugar, onion, mustard, BBQ sauce and spices. There are a variety of beans ‘n’ franks recipes found around the world...

National Lollipop Day (July 20) -

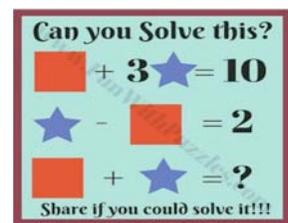

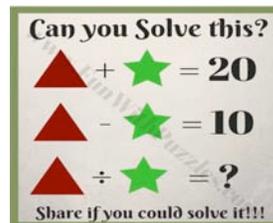

Ever delightful and sweet, lollipops have been satisfying the sweet tooth for generations and possibly for centuries. They may have been a way to preserve nuts and berries in honey during prehistoric times. Much later when sugar was plentiful, lollipops appeared 16th century Europe. In the United States, confectionaries and medicine shops as early as the 1860s sold lollipops in various forms, but it wasn't until 1908 that George Smith gave lollipops an official 20th-century story. He gets credit for inventing the modern style lollipop and in 1931 trademarked the name which he claims came from his favorite racing horse, Lolly Pops...

National Crème Brûlée Day (July 27) -

Get ready to enjoy a dish of this mouth-watering creamy dessert. Crème Brûlée is also known as burnt cream, crema Catalana, and Trinity creme. It is a dessert that consists of a rich custard base that is topped with a contrasting layer of hard caramel and served at room temperature. The custard base is usually vanilla flavored but has variations of lemon, orange, rosemary, lavender, chocolate, Amaretto, Grand Marnier, cinnamon, coffee, liqueurs, green tea, pistachio, hazelnut, coconut or other fruit.

National Watermelon Day (Aug. 3) -

Watermelon is a vine-like flowering plant originally from southern Africa. Its fruit, which is also called watermelon, is a special kind referred to by botanists as a pepo, a berry which has a thick rind (exocarp) and fleshy center (mesocarp and endocarp). Pepos are derived from an inferior ovary and are characteristic of the Cucurbitaceae. The watermelon fruit, loosely considered a type of melon – although not in the genus Cucumis – has a smooth exterior rind (usually green with dark green stripes or yellow spots) and a juicy, sweet interior flesh (usually deep red to pink, but sometimes orange, yellow, or white).
